

Emergency Contact Information

In the event of an incident requiring more than general first aid, the NC Department of Labor/Elevator and Amusement Device Division must be notified and the equipment cannot be taken down until he/she gives authorization.

The NC Amusement Device law requires that the NC Department of Labor/Elevator and Amusement Device Division be notified of any incident that involves an injury requiring more than general first aid. If you believe injuries should have a greater level of care and the person refuses treatment, you should also notify the NC Department of Labor. Listed below are numbers to report all such incidents.

NCDOL/Amusement Division 919-807-2770

You will be given instructions as to additional steps to take/persons to call based on the incident.

Barry Wilson, State Inspector 919-369-0347
