

# *Pauline F. Muller*

Pauline Muller and her teenage daughters moved to North Carolina in 2006 a year after her husband, Douglas moved in 2005 for a job opportunity. Pauline and Doug currently live in Louisburg, within the Lake Royale community just outside of Bunn. Doug works for Material Handling Technologies, Inc. in Morrisville, NC since moving to NC.

Pauline was born and raised in Upstate New York about 1½ hours north of Albany in the Mohawk Valley area. Doug was born in Long Island, NY and moved to Dolgeville as a young child. Pauline and Doug starting dating in 1981 after meeting at school and church. They were married 3 months after her high school graduation in 1986. We were both blessed to be raised in a Christian loving home with many siblings.

As a young child, my family had always attended Sunday School and church. One evening at a visiting church for VBS, I heard a missionary speak on what it meant to be a child of God. I knew then I wanted to know more about Jesus. After speaking with the missionary privately, I accepted Christ as my Lord and Savior. I was baptized in my home church at the age of 10. God is still revealing his plan for my life and my families and I am excited to see where it leads especially with working at Tar River Baptist Association and with our churches.

I am a member of Cedar Rock First Baptist Church in Castalia, NC. I currently serve as Sunday School Director, Director of the Nursery, VBS, Family Committee and on the Homecoming Committee. I am a member of the Gideon's Louisburg Camp and I am have served as President and am currently serving as Vice-President of the Auxiliary. God has surely blessed me with wonderful opportunities to grow in his service and I can't wait to see what more he has planned for us and his work.

God has blessed Doug and I with 2 daughters, who have married wonderful Christian men and 2 granddaughters. Victoria, our oldest daughter, and her husband, Kyle have been married since 2009 and have 3 daughters, Sophia, Olivia and Annabelle. Victoria is a graduate of Nash Community College and is a Physical Therapy Assistant in Jacksonville, NC. Kyle is a dental assistant at a local dental office and work with students enrolled in the dental school program at the local college from where he graduated. Kyle also served 4 years in the United States Marines Corps and worked with the Onslow County Sheriff's Department. Erica, our youngest daughter and her husband, Charlie have been married since 2012. Erica and Charlie have 1 son, Liam. Erica graduated in May 2014 from Western Carolina University with a Bachelor's of Science in Criminal Justice and Criminology. She received her Masters of Science degree in Criminal Justice with a concentration in global issues through Kaplan University, IA in May 2016. Charlie is currently servicing in the United States Marines Corps stationed in St. Paul, Minnesota as a Marines Recruiter.

***Thy word is a lamp to my feet, And a light to my path.***

***Psalm 119: 105***
